FOREWORD

Bateman Hosegood and Heard's RPS are delighted to have received instructions from Steve Clothier to disperse the entire contents of Doniford Farm Park. Steve has taken the decision to cease trading and sell the property and we thank him for his most kind instructions.

The sale will see over 700 lots offered by auction and the Auctioneers cannot think of such a varied and diverse range of lots being offered for sale before in a genuine on-site dispersal sale.

Highlights of the sale will include the exceptionally well maintained and modern catering equipment, a wide range of interesting by-gones and antiques, nearly new polytunnel and a cracking line up of antique furniture.

The Auctioneers most highly recommend this sale to everyone as such a varied and useful range of lots is unlikely to be offered for sale in a dispersal for quite some time.

We very much look forward to welcoming you to Doniford Farm Park on both viewing and sale days and finally would like to take the opportunity to wish Steve well with the sale of the Property and his future plans.
