

**DUNSMORE COLLECTIVE MACHINERY SALE - SILVERTON****Held on Saturday 30<sup>th</sup> April 2016**

Hearde RPS in conjunction with Bateman Hosegood were again welcomed to Dunsmore, Silverton by Messrs. S.D.F. Molineux & Partners. A glorious spring day welcomed sale goers with an interesting array of lots on offer.

The sale commenced with a number of smaller non-VAT items which saw regular consignor Kilve Marchant, Woodbury sell a Chainsaw at £55. Mr S. Holder, Braunton made the long trip up to Silverton with another good selection of trees and shrubs which peaked at £32 twice, firstly for a Blue Cedar Tree and secondly an upright Cherry. Other plants readily achieved £15 - £25.

In the machinery lines, demand and trade seems to have slightly eased from sales earlier in the season. However, Mrs W.J. Gard, Tiverton sold a genuine International 454 2wd Tractor (P reg) well at £1,850. Close behind were our hosts, Messrs. S.D.F. Molineux & Partners with their tidy Auger Bucket selling at £1,420. Messrs. R. May & Partners, Netherexe also scored when selling their KRM Weed Tyner c/w Air Seeder at £1,400.

Livestock equipment peaked at £200 for an older set of C & H Pig/Lamb Weights from Mr R. Hebditch, Stoke Canon and the best of a good run of Concrete Cattle Drinkers from S.D.F. Molineux sold at £130.

We thank all vendors and purchaser alike for attending Dunsmore and look forward to returning again next year. Hearde RPS future sales include the Exeter East Collective Sale at Aylesbeare on Saturday 14<sup>th</sup> May and the dispersal for Mr & Mrs J. Norton at Lower Coombe Farm, Tipton St. John on Thursday 26<sup>th</sup> May. We hope to see you there.
